

for an excellent finish

Belts, file grinder: CERAMIT CR 456 Z

Very stiff high-performance file grinder belts with ceramic grain and heat-reducing coating

Product benefits

- High productivity and economic efficiency
- Hard and sharp ceramic abrasive grit ensures high stock removal rates and long tool life
- High tear resistant, low stretch and waterproof polyester backing
- Low grinding temperatures and longer tool life due to additional Procut coating

Applications

Tank and vessel construction:

- Cleaning of weld seams with powerfile belts
- Weld seam stock removal with powerfile belts

Product design

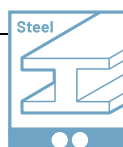

Type:	CERAMIT CR 456 Z
Grain:	Ceramic core
Bonding:	Synthetic resin, with active ingredient coating
Backing:	Z cloth
Coating:	Closed
Grit range:	+ 36/40/50/60/80/100/120
