

for an excellent finish

Belts, narrow: RB 484 44 Z

High-performance rigid zirconia alumina cloth belts

Product benefits

- High tear resistant, low stretch and waterproof polyester backing
- Tough zirconia alumina grain ensures high stock removal rates and long tool life
- Especially suitable for dry grinding of stainless steel
- For universal applications: dry and wet (water-, emulsion- and oil-resistant)

Applications

Tubes, rods, wire:

- Grinding longitudinal weld seams on tubes
- Leveling weld seams and finishing rectangular pipes
- Descaling wire

Metal working:

- Flat- and edge grinding of sandwich materials based on metal, polymer and composites (ski edges and bearing surfaces)

Forged and cast parts:

- Deburring of stampings out of steel and stainless steel and castings out of aluminium and out of other non-ferrous metals

Furniture:

- Machine-based calibrating of furniture parts before coating
