

for an excellent finish

Discs: BW 115, velour-backed

Long lasting, high stock removal aluminum oxide paper discs for applications on wood and metal

Product benefits

- Antistatic equipment prevents premature clogging with sanding dust
- Excellent tool life and shorter machining times
- Good stock removal rate even with low grinding pressure
- Very stable paper backing for applications with high loads
- Especially suitable for sanding hardwoods (maple, birch, beech, oak, ash, cherry, walnut, red elder, elm, tropical hardwoods).

Applications

Wood working:

- Initial, intermediate and fine sanding of wood in preparation for staining and lacquering

Metal working:

- Manual defect grinding and surface finishing on random orbital or angle grinders

Product design

Type:	BW 115, velour-backed
Grain:	Aluminum oxide
Bonding:	Synthetic resin, antistatic
Backing:	F-weight paper, velour-backed
Coating:	Closed
Grit range:	P 40/60/80/100/120/150/180/220
