

for an excellent finish

# Discs: CERAMIT CR 116, velour-backed

Very strong, velour-backed high-performance paper discs with ceramic grain for high loads

### Product benefits

- Hard and sharp ceramic abrasive grit ensures high stock removal rates and long tool life
- Low grinding temperatures against surface changes during grinding
- Especially suitable for grinding stainless steel and high-alloy steel

### Applications

#### Automotive body shop:

- Defect grinding with angle grinders

#### Tank and vessel construction:

- Grinding of welds in stainless steel tanks and vessels

### Product design
