

for an excellent finish

Discs: SF 168, self-stick

Powerful, self-stick paper discs with silicon carbide grain and anti-clogging coating

Product benefits

- Very adaptable, highly flexible paper backing
- Open coating and optimized Longlife coating ensures low clogging behavior
- Outstanding sanding pattern on transparent lacquer systems
- Especially suitable for intermediate lacquer sanding

Applications

Lacquered wood parts:

- Lacquer fine sanding in the furniture and music instruments industry

Furniture:

- Fine sanding of furniture parts by hand or with hand-operated sanding machines

Wood working:

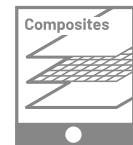

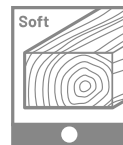

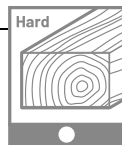

- Initial, intermediate and fine sanding of wood in preparation for staining and lacquering
