

for an excellent finish

Handpads: webrax-0A 708 flex

Universally applicable, flexible aluminum oxide non-woven web handpads

Product benefits

- Highly flexible non-woven abrasive web with optimal adaptation to contours
- Constant high surface quality over the entire tool life
- No premature clogging due to open non-woven abrasive structure
- All-purpose: wet and dry

Applications

Metal working:

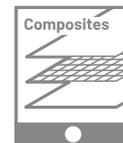

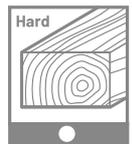

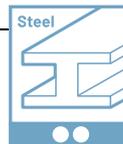

- Manual sanding of metal, non-ferrous metal, wood, lacquer, plastic and composite materials.
